# MERS-CoV Health Advice

親愛的旅客您好：

歡迎您來到/返回台灣！若您曾前往 MERS 疫情國家(南韓、沙烏地阿拉伯、阿拉伯聯合大公國、巴林、伊拉克、伊朗、以色列、約旦、科威特、黎巴嫩、阿曼、巴勒斯坦、卡達、敘利亞和葉門)，為了您及家人的健康，提供您重要的預防資訊及配合事項，如果您在 14 日內有發燒、咳嗽、身體不適，請您立即戴外科口罩，及撥打 1922 防疫專線(免付費 24小時)，以協助儘速就醫治療。

Ladies and gentlemen,

Whether you are returning home or just visiting, welcome to Taiwan! If you are coming from a country with confirmed MERS cases(South Korea, Saudi Arabia, United Arab Emirates , Bahrain, Iraq, Iran, Israel, Jordan, Kuwait, Lebanon, Oman, Palestine, Qatar, Syria and Yemen), for your own health and the health of your families, we would like to provide important health precautions and advices for you and your families. If you develop flu-like symptoms such as fever, cough or general discomfort within 14 days after returning home, please put on a mask immediately, call the toll-free hotline 1922 to seek assistance in getting medical attention and inform the doctor of your recent exposure and travel history.

勤洗手  
Wash Hands

自主健康監測  
Self-monitoring  
for 14 days

有症狀戴口罩  
Wear surgical  
mask when  
symptoms occur

在臺發病通報  
Report to  
authority
