Congratulations to the first Asian City Fully Compliant with the Compact of Mayors

Honorable Mayor Chu,

As Secretary General of ICLEI, I would like to extend my heartfelt congratulations to you and your whole city for being the first Asian city to achieve full compliance with Compact of Mayors requirements. This demonstrates your strong commitment to an ambitious global climate solution, and we are grateful for your inspiring leadership and vision.

New Taipei City has set a shining example for the region, as well as for the climate community worldwide. We are convinced that your full compliance status will inspire your citizens, as well as fellow Mayors in the region and globally, to scale up their ambition and do their bit to tackling the urgent global issue of climate change, just as you have done so impressively through your robust documentation and actions. We are pleased to be able to closely work with you and support you in this process.

Again, my congratulations and best wishes for the years ahead. We look forward to our continued collaboration.

Best Regards,

--
